

# Stewardship at St. Charles Borromeo

## Giving Regularly as a Steward

**“All who believed were together and had all things in common; they would sell their property and possessions and divide them among all according to each one’s need.” Acts 2:42-45**

As a community of stewards, we hope that all of our members prayerfully consider tithing at least 5% of their gross income to our parish and 5% to charity, especially those charities that assist the needs of the poor. To tithe means to give one-tenth of your first fruits to the Lord – for the support of the community and for the poor.

If you have not tithed before, please prayerfully consider giving 0.5% of your gross income to the church and 0.5% to the poor for this year. By increasing your giving each year by 0.5% of your gross income, you can responsibly and incrementally move your household budget to include space for tithing.

<b>Household Income</b> Based on 40-Hour Work Week or 2080 Hours/Year				<b>Monthly Giving to the Parish</b>									
Hourly	Weekly	Monthly	Yearly	0.5%	1.0%	1.5%	2.0%	2.5%	3.0%	3.5%	4.0%	4.5%	5.0%
