What coaches have to say about our tournament!

Just wanted to say "Thank You" to you and your staff. The time that you put into this tournament is evident. One of our dads who has kids in college said it was the best run tournament he has been to, and he has been to many more than the average parent. Well done.

Thank you for hosting another great tournament. I received compliments from my parents as well. All the coaches at Holy Apostles that have participated in your tournament over the years have had positive things to say about the tournament. I hope to be back next year.

Please pass along to everyone involved in the Charger Challenge Tournament: This is one of the best organized tournaments we have been in. Our boys really enjoyed everything you brought to this tournament and enjoyed it very much! A lot of the parents hope you would expand to the seventh and eighth grades as well! We know how much time and effort goes into a tournament and appreciate the hospitality. Again, from all of us, thank you and see you next year!

Tom Brehm
John Paul II Academy-Racine

Thanks for a great tournament! I was there last year with my 6th grade boys and this year with my 5th grade girls. I will probably be back next year. You have a great facility and put on a great tournament.

Just wanted to let you know that there were a lot of favorable comments among parents about the tournament and how it was run. You and everyone else involved did a great job. Thanks!
