

We are launching a new Summer Program in June!

Many families might find attendance difficult during this school year and these morning classes for two weeks will allow your students to catch up or jump ahead in their grade level. Students who've completed K-8th grade are welcome. Sacrament preparation will not be offered, but 1<sup>st</sup> grade students can use the summer program to catch up and then receive their First Communion preparation during 2<sup>nd</sup> grade.

Striving for a Safe Experience

We will have procedures to provide a safe experience for our teachers and students during in-person programs. Class sizes are limited so please register immediately! Masks will be worn during all religious education. Programs could be cancelled to protect the health of our students and teachers.

---

Sunday morning REP
