

Cold Hands Warm Heart

Greetings, my name is _____ and I am participating in Cold Hands Warm Heart.

With support from the Family Life program, high school students are doing a fundraiser for the Transitional Living Center (TLC), the homeless center for women and children here in Burlington. In support of this important center, we as teens are asking for pledges to support TLC. Our fundraiser is called COLD HANDS WARM HEART, where we will be spending October 27th sleeping in cardboard box shelters. We will be building our own shelter and sleeping in it for a night, as if the box were our home. It is a great learning opportunity and a chance to show our commitment to our neighbors.

I hope you will consider being a sponsor for COLD HANDS WARM HEART. For this special event we have committed to raising over ten thousand dollars, all of which will be given to TLC to support this critical center. Your donation will make a world of difference for neighbors whose world is in crisis.

For a minimum donation of \$75.00, your business name or personal name will be placed on our shirts as an official sponsor. Please return the bottom half of this sheet by October 27.

Thank you for your support of this special event.

Sincerely,
