

TLC Blessing Bags

Our community's high school students are sleeping outside in cardboard boxes to raise support for our local homeless shelter, The Transitional Living Center. There are times when the staff of TLC could use specific supplies to help the families they serve. Can you help? Please drop off items at St. Charles Church office or on Saturday October 26th from 5-7pm in the gym foyer. You can fill a bag or just provide whichever items you can and the high school students will put together a bag. The listed items are some ideas, but feel free to be creative!
