Scrip; at this point unable to tell how we are doing & feels we need to educate people how to use.

Otherwise budget is good.

Treasurer's report was accepted.

Principal Report: Mary MacDonald

School Choice; our school is going forward with other local schools, with the help of Mike Lloyd.

Scrip; Concern over Rewald participants getting credit applied to tuition.

Dress Code; is changing back as of January to no words & graphics

Concert; December 14th cookies & water in activity center

Lunch; too many kids are opting out. Refer to handbook. Promote the quality of our lunch.

Presidents Report: Jen Reesman

Concert; H&S are serving & providing the bottled water. This is a great time to sell last minute Scrip cards.

Pizza Sale; Some families participate in pizza sale as Candle & Candy Sale. Didn't get shadow and would really like to see a family pick this fundraiser up. Very easy one if someone could find it in their heart.

Amended By Laws; Approved by Father

Finance Council has mandated that everything except Athletics Funds must go into H&S budget

ALL FUNDRAISING including Spring Fling, Pre-School Carnival, & Drama. They have not approved our budget yet, as they were going to determine what the pre-school tuition assistance line item should be, but it looks like our budget will be approximately \$60,000.

Clarification Ambassadors Club comes In & Out and is a restricted fund.

Bowling Event; save the date February 4th 2017. We would like to see the info go out sooner to the families. Not going to request donations again due to Spring Fling.

Spring Fling Report: Mary Giese

Meeting with teachers to get them to liaison between her and the parents for the classroom projects (Maybe Catholic Schools Week)

No classrooms baskets year

Spirit Wear Report: Melissa Doyle

Tie die was a HIT! We made \$286 so far and plan to sell merchandise the night of the Concert.

Any remaining inventory will be purchased from Bob O'Neill & we will sell at future events.

Cherrydale Update: Jessica Straube

The rep is difficult to work with. The profits are very good, people are very unhappy with the product. She is looking for another option for next year.
